LEGAL CONSULTATIONS

NO MATTER THE STAGE OF YOUR BUSINESS

—GREAT IDEA, NEWLY FORMED, EXPANDING OR ON CRUISE CONTROL—

GREAT COUNSEL AND ADVICE ARE MUST HAVES.

Smithers + Ume-Nwagbo, LLC, [Your Trusted 360° General Counsel®](#) offers legal consultations that provide business owners and hopefuls an opportunity to gain valuable insights into the legal issues that may impact their business. Whether you are trying to decide on the legal structure for the business, considering an employee or independent contractor, mulling an offer from an investor, targeting new business, or trying to handle a business dispute, it is wise to understand how the law may impact your plans and how other businesses have navigated the same waters.

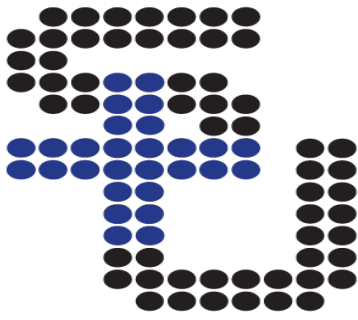

S+U provides comprehensive legal services to start-up and small to mid-size companies with a 360° approach. S+U's practice areas include Business Litigation/Disputes, Corporate/Business Law, Employment Law, and Employee Benefits. These are the critical areas of law that regularly impact businesses. As [Your Trusted 360° General Counsel®](#), S+U saves its clients the expense and responsibility of staffing and supporting an in-house legal department. S+U offers superior legal services and experience with flexible rate structures tailored to the needs of our clients.

S+U offers a one (1) hour consultation to discuss your most pressing questions for a flat rate.
